Robert A. Weiss, M.D. ~ Margaret A. Weiss, M.D. ~ Karen L. Beasley, M.D.

Welcome to the Practice, Dr. Yelena Frankel

Dr. Frankel attended medical school at Jefferson University in Philadelphia. She completed her dermatology residency at the Johns Hopkins University School of Medicine. Further training at Johns Hopkins included a Master's degree in public health and an advanced two year fellowship in dermatology and wound healing.

Dr. Frankel has published numerous articles in peer reviewed dermatology journals and has won national Investigator Awards from the American Academy of Dermatology and the Wound Healing Society. Her expertise in helping the skin recover from sun damage, stress, and injury has earned Dr. Frankel appearances on local and national television. During residency, she also received the Preceptorship Award from the American Society of Dermatologic Surgery.

Dr. Frankel's focus is on her patients. She strives to provide the best possible care for all their dermatologic needs. Her practice includes general dermatology, skin rejuvenation, laser surgery, laser scar correction, Botox® treatments, filler injections, sclerotherapy, and dermatologic surgery.

Board Certified by the American Board of Dermatology, Dr. Frankel is a member of the American Academy of Dermatology, the American Society for Dermatologic Surgery, and the Women's Dermatologic Society.

Dr. Frankel will be participating with the following insurance companies:

Introducing

MDLSV is proud to be one of the first practices in the US to debut LaViv®, a revolutionary approach to smoothing wrinkles and nose-to-mouth lines, and fading scars. While most injectable fillers use collagen or hyaluronic acid to smooth wrinkles, LaViv is different. LaViv uses your body's own cells to rejuvenate your skin, creating new collagen and boosting the scar-healing process. This means no risk of allergic reactions, no injection of foreign substances, and best of all, fewer treatments necessary to achieve your desired look - one that can last significantly longer than other injectable fillers

Seasonal Skin care

New Products available at MDLSV!
See the Esthetician for a complimentary skincare consultation!

The transition from summer to fall and winter can take its toll on your skin. We encourage our patients to schedule a complimentary skincare consultation twice a year to evaluate your seasonal skincare regimen. Your favorite summer products may not be the best choice for the winter months. Meet with our esthetician to put together a skincare plan for the cold and dry winter weather ahead!

IN THE NEWS... Ask for your complimentary copy of New Beauty Magazine, a \$10 value!
